Log Cabin Maintenance Checklist

Year-Round Care for Your UK Log Cabin

Seal the Logs
Apply a protective sealant.

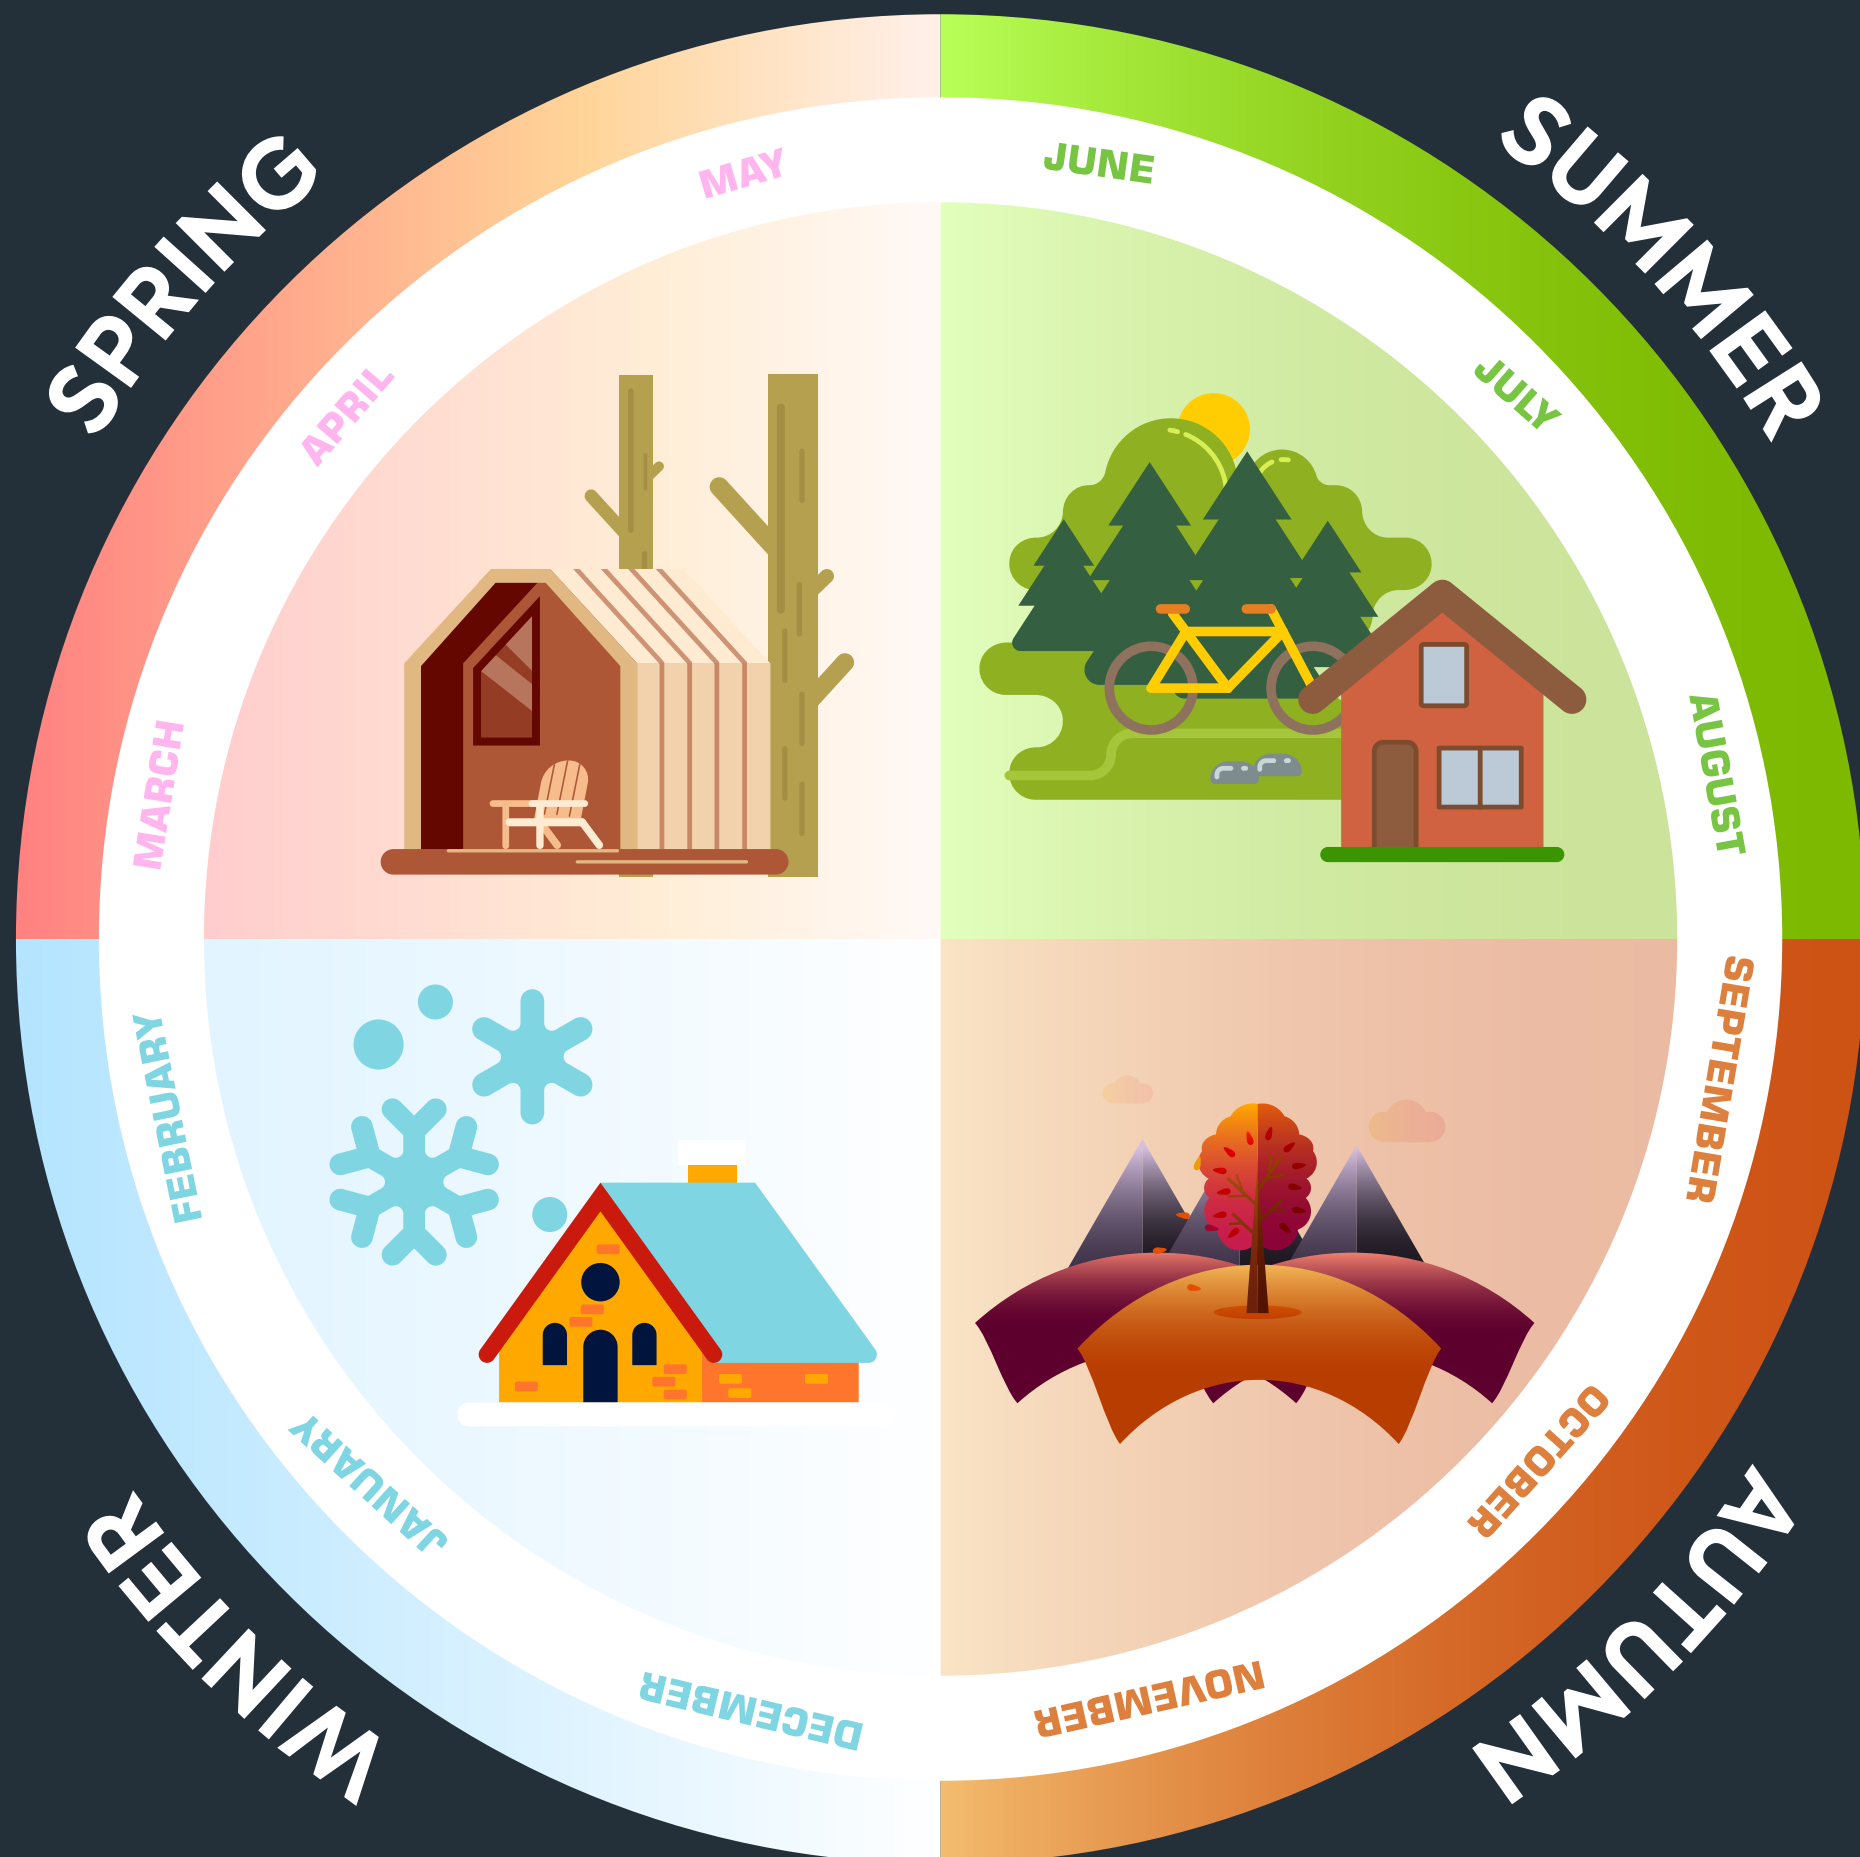

Trim Vegetation
Cut back plants and branches.

Check the Roof
Fix loose or damaged tiles.

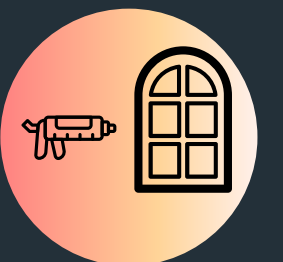

Clean Gutters
Clear leaves and debris.

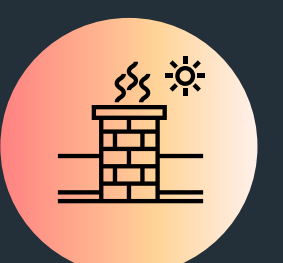

Clear Snow
Remove snow from roofs and porches.

Test Detectors
Check smoke and carbon monoxide alarms.

Check Caulking
Seal gaps around windows and doors.

Clean Chimney
Remove soot and creosote.
